

**NO Running.
NO Bike Rides.
Just REAL Impact!**

CALLING ALL COLORADO COMPANIES

Will you and your team take a stand for children this April?

Form a company team, set a collective fundraising goal, and join the movement for healing and hope. We'll provide all the tools you need.

You don't have to lace up or break a sweat to make a difference.

All you need to do is create a fundraising page and rally your friends, family, or coworkers. Every dollar raised in April directly supports the life-changing services DCAC provides to children and families recovering from abuse.

DCAC is not a pass-through nonprofit. Your donations go directly to our programs—like therapy, forensic interviews, and advocacy—serving children right here in our community.

How It Works:

1. Visit www.denvercac.org/hope-starts-here/ to register your fundraiser
2. Set your goal, share your story, and invite others to give
3. Fundraise all month long during Child Abuse Prevention Month
4. Chance to win prizes and tickets to DCAC's Topgolf celebration!
