

**Happy Holidays from the Denver Children's Advocacy Center!**

Happy holidays from all of us at DCAC! We are incredibly grateful for another outstanding year full of growth, learning, and new experiences. We are very thankful for our supporters, partners, consultants and friends - without all of you, DCAC would not be what it is today. We wish you all a delightful holiday season and happy new year!

Thank You to Everyone Who Helped Make  
Colorado Gives Day a Success!

Each year, we are overwhelmed by the generosity of our amazing supporters who share in and contribute to our work. With this support, we are able to continue serving our community's most vulnerable children and families.

Thank you again, YOU make a difference!

## Colorado Young Credit Union Professionals Prepare DCAC for the Holidays

Last month, we had a group of volunteers from the Colorado Young Credit Union Professionals (CYCUP) on campus to help us with our holiday decorating. The volunteers helped us decorate our houses inside and out! We strung lights on our front porches, hung ornaments outside, and decorated Christmas trees our lobbies. With the help of our wonderful volunteers, DCAC is ready for the holiday season!

Thank you, CYCUP!

## DCAC's Clients Benefited at HRUX-mas

Earlier this month, DCAC was invited to a special event called HRUX-mas, a holiday conference for human resources professionals. At the event put on by the HR UndergroundX organization, attendees were encouraged to donate an unwrapped gift for DCAC's holiday toy drive. During the event, DCAC Development Associate Meghan Parman spoke about the work we do at DCAC.

We were thrilled to receive so many gifts from the generous attendees of the HRUX-mas conference. Our clients and their families will be able to select gifts for the holiday season from our toy drive this Friday. HRUX-mas is one of many organizations that has donated toys to DCAC for our toy drive. Thank you again, HR UndergroundX!

## DCAC Attends the Colorado Gives Day Rally!

On November 29th, two DCAC staff members attended the Colorado Gives Day kick-off rally at the state capitol building. With various Colorado nonprofits and media outlets in attendance, Governor Hickenlooper announced the kick-off to Colorado Gives Day 2016! DCAC staff members brought a banner to display from the capitol steps and received Colorado Gives Day signs that were posted on our campus. The event was a fun way to kick off Colorado Gives Day and we are already excited to go back next year.

## DCAC's Problematic Sexual Behavior Program

We are continuing to work with the University of Oklahoma to establish a treatment program for children with problematic sexual abuse behaviors and their families. This program is designed to eliminate problematic sexual behaviors and improve pro-social behaviors and adjustments in children. It is also designed to reduce stress and enhance skills in parents and other caregivers.

For more information about treatment for problematic sexual behavior in youth, please contact:
