Register Today for Clays for Kids 2019!

Friday May 3rd, 2019

Clays for Kids, a sporting clays tournament, will be hosted at the beautiful Colorado Clays Shooting Park. In honor of National Child Abuse Prevention Month in April, this event is designed to bring sporting enthusiasts together to spread awareness about our mission to serve child victims of abuse, neglect, and violence.

This year, we are hosting Clays for Kids three days after April to avoid the risk of snowstorms and take advantage of the warmer weather! It will include a 15-station clay shooting tournament and a fully catered BBQ lunch. To learn more about Clays for Kids or to register, please click the link below.

## Cherokee Trail High School Students donate Build-a-Bears to DCAC

In early February, we had the honor of meeting a group of students from Cherokee

Trail High School's DECA program. The students came to DCAC to deliver a very special donation of Build-a-Bears for our forensic interview program. When the students visited our campus, we were able to explain to them that every child that we see in our forensic interview program gets to pick out a stuffed animal to take home with them and that their donation would be used for that purpose! This is the third year that Cherokee Trail High School's DECA program has donated Build-a-Bears to DCAC.

DECA prepares emerging leaders and entrepreneurs for careers in marketing, finance, hospitality and management in high schools and colleges around the globe. To learn more about DECA, please [click here](#).

Thank you again, Cherokee Trail High School!

Prior to joining DCAC, she worked with women and children experiencing homelessness as a case manager. Emily is a Licensed Social Worker and she looks forward to continuing to serve children and families while working towards her clinical
