Date

September 14th, 2017
SPACE Gallery

Tickets are officially on sale for our 2nd Annual Art from the Heart event on Thursday, September 14th. Join us at the beautiful and unique SPACE Gallery in the Santa Fe Art District to support Denver's children and their families.

By featuring the artwork created by many of our clients, Art from the Heart will draw attention to the transformative power of art and the art therapy utilized by DCAC's therapists. Art from the Heart will help support our many programs that positively impact Denver's most vulnerable children and families. The event will include a live auction, food and drinks, wine raffle, interactive art activities and

live music.

Thank You to all who attended our Breakfast Open House

On June 8th, we hosted our annual Breakfast Open House! This special event is a way to say "Thank You!" to all of our amazing partners, supporters, and friends. With the help of so many others, we are able to do the work that we do at DCAC. The Breakfast Open House turned out to be a wonderful day and the weather was absolutely beautiful. This year, we had some special guests in attendance. Pella, a courtroom dog, and her canine friend, Waffle, were accompanied by Amber, Pella's owner who is a criminal investigator for the 18th Judicial District in Arapahoe County. Amber, Pella, and Waffle joined us at our Breakfast Open House to spread awareness about service dogs and how Pella regularly comforts children and accompanies Amber when talking with child victims.

Sage Hospitality Volunteers at DCAC through
Amp the Cause

On Saturday, May 20th, [Amp The Cause](#) hosted their 2017 Community Day! During Community Day, a business or corporation is paired with a nonprofit organization for a day of volunteering. Each year, over 1,000 individuals dedicate 6 hours to 50+ nonprofits to improve their facilities. This year, DCAC was paired with Sage Hospitality and we were able to give our campus an outdoor makeover! With the help of all the wonderful volunteers from Sage Hospitality, we stained our patio, power washed all our porches, planted flowers, wash windows, and more. It was amazing to see the impact that a group of volunteers can have on our campus in one day. We are officially ready for summer and we cannot thank all of the volunteers enough for their hard work and dedication!

Thank you again, Sage Hospitality!

DCAC Receives Donation from the Denver District Adult Probation Department

At our Annual Breakfast Open House on June 8th, employees from the Denver District Adult Probation Department presented us with a check from a recent fundraiser they held for DCAC. The Denver District Adult Probation Department has made several contributions to DCAC in the past. We are incredibly grateful for their ongoing support and thankful for such amazing partners in our community.

Thank you, again!

DCAC attended the Safe Summer Kick-Off Fair

Earlier this month, two DCAC employees, Micaela & Lucero, attended the Safe Summer Kick-Off Fair at Kepner Legacy Middle School. DCAC represented Southwest Denver at the fair that was hosted by the Southwest Denver Coalition, the Department of Public

Safety's Gang Reduction Initiative of Denver (GRID) and Denver Public Safety Youth Programs.

The Safe Summer Kickoff was a free, family-friendly event where attendees could learn about community and government support services while they enjoyed food, live entertainment, prize drawings and a variety of activities. The event was also an opportunity to connect youth with alternative activities during the summer to keep them busy and safe. [Click here](#) to learn more about the event.

The event was well attended and DCAC was able to distribute materials about our services in both English and Spanish.

DCAC's Problematic Sexual Behavior Program

We are continuing to work with the University of Oklahoma to establish a treatment program for children with problematic sexual abuse behaviors and their families. This program is designed to eliminate problematic sexual behaviors and improve pro-social behaviors and adjustments in children. It is also designed to reduce stress and enhance skills in parents and other caregivers.

For more information about treatment for problematic sexual behavior in youth, please contact:

Gizane Indart, PsyD. at Gizane@DenverCAC.org or (303) 996-8580.

Deloitte's Impact Day 2017

Earlier this month, we had an amazing group of volunteers from Deloitte on our campus. June 9th was Deloitte's 18th Annual Impact Day. Impact Day is a celebration of Deloitte's year-round commitment to local communities. Member firms around the world host Impact Day activities where Deloitte professionals spend the day volunteering - [click here to learn more](#). Nineteen amazing volunteers helped us organize our storage rooms, spread mulch in our flower beds, remove a few dead trees, and more. We are so grateful for their help making our campus look wonderful!

Thank you again, Deloitte!
