Thank You to Hensel Phelps & Amp the Cause!

In late May, we had a group of volunteers from Hensel Phelps on our campus for Amp the Cause's 14th annual Community Day! Community Day, a citywide volunteer day, is hosted by Amp the Cause. Amp the Cause pairs a business with a nonprofit partner for a day of volunteering on the nonprofit's campus. This year, DCAC was paired with Hensel Phelps, a general contractor and construction company.

The volunteers from Hensel Phelps came to DCAC ready to work! Over the course of the day, they re-mulched our playground, stained the porch on one of our houses, assembled organizational supplies, cleaned waiting rooms, power washed our houses, planted flowers, and more! It was incredible to see how much the group could accomplish in 6 short hours. We are so grateful everything the group from Hensel Phelps did to make our campus ready for summer and thank you to Amp the Cause for their incredible organization and coordination of this day.

Thank you, DaVita!

In May, Meghan, DCAC's Development & Marketing Manager, was invited to speak about DCAC at a corporate event for DaVita. Meghan explained our programs at DCAC and how we serve Denver's children who have been victims of trauma. After speaking, Alissa from

DaVita presented DCAC with 40 stuffed bears that her team at DaVita created for our clients at DCAC. Each bear had a custom made t-shirt and "birth certificate" to go along with it! We cannot thank DaVita enough for this generous donation. These bears will be given to children who visit DCAC for Forensic Interviews.

To learn more about DaVita and their mission, please [click here](#).

Thank you again, Alissa and the DaVita team!

Meet DCAC's Office Assistant, Jordan!

1. What is your role at DCAC?

My role at DCAC is Office Assistant, and I assist with managing the claims and finances that our clients give to us as well as making sure that DCAC is stocked on all the materials that they need to help our therapists and our clients feel comfortable at our site. I was previously an intern here, where I participated in the Safe From the Start program.

2. What is your favorite thing about working at DCAC?

I love being able to be a positive figure in the lives of the clients that we work with, even in the smallest way.

3. If you could have a superpower, what would it be and why?

Teleportation so that I could go anywhere that I wanted, and didn't have to worry about gas!

4. Who are your biggest role models?

My biggest role models are my parents. They've showed me what unconditional love looks like, and have helped to mold me into the person that I am grateful to be today.

5. What is a fun fact about yourself?

I am a basketball fanatic. I play, coach, watch, talk about basketball, and am absolutely in love with the sport!
