THIS COLORADO GIVES DAY, YOU CAN...

Thanks to an anonymous donor, every gift made to DCAC in honor of Colorado Gives Day will be automatically DOUBLED - up to a total of \$20,000!

Children's brains develop rapidly between the ages of 0 to 5. Their early experiences lay the foundation for their future. **By supporting the Denver Children's Advocacy Center on Colorado Gives Day, you can give every child a healthy, happy future.**

Early experience of abuse, neglect and violence robs children of the future they deserve.

You can give every child a future. Support DCAC this Colorado Gives Day!

Teen Gifts Needed for Holiday Gift Drive

Every year, DCAC hosts a holiday toy drive for the families we serve. With the help of Building Owners and Managers Association (BOMA) and various other organizations and individuals, we are able to give each family a gift for every child in their family.

Each year, we are always in need of more teen gifts for our older clients and their siblings. We love to be able to give our teen clients \$10 gift cards, headphones, make up, clothing, and other age appropriate items.

If you are interested in donating teen gifts to DCAC, please contact Meghan Parman, our Development Associate, at 720-974-7231 or MParman@DenverCAC.org.

Denver Safe from the Start Wants to Come to Your School!

Denver Safe from the Start wants to come to your school! **Denver Safe from the Start is DCAC's ECE-5th Child Abuse Prevention program.** The program focuses on safety and child sexual abuse prevention. **We use a curriculum from the nationally renowned Committee for Children, especially designed for the prevention of childhood sexual abuse.**

The program consists of 6 lessons that are 15 to 20 minutes long. *All lessons can be taught in Spanish.* We can also provide trainings to school staff and parents on safety, prevention, and child abuse. Additionally, there is a possibility for a weekly parent group. These trainings are facilitated by licensed professionals.

Safe from the Start has been presenting in Denver Public Schools for the last 8 years. Our curriculum has been approved by the Administration at Denver Public Schools.

This program meets the requirements for Erin's Law, which states that public schools in each state must implement a prevention-orientated child sexual abuse program.
