September 26th, 2019
Children's Museum - Denver Marisco Campus

Art from the Heart is our annual fundraising gala. In 2019, we will host our fourth annual Art from the Heart honoring Nancy & Sam Gary for their lifelong dedication to children and families. This event focuses on art, art therapy, and the incredible power that art can play in the healing process of a child. We are so honored to celebrate four wonderful years of this event and we hope you will join us for a fun evening including a guest speaker, live auction, silent auction, and delicious dinner and drinks.

Clays for Kids, a sporting clays tournament, will be hosted at the beautiful Colorado Clays Shooting Park. In honor of National Child Abuse Prevention Month in April, this event is designed to bring sporting enthusiasts together to spread awareness about our mission to serve child victims of abuse, neglect, and violence. This year, we are hosting Clays for Kids three days after April to avoid the risk of snowstorms and take advantage of the warmer weather! It will include a 15-station clayshooting tournament and a fully catered BBQ lunch.

Thanks to the Ottoson Family Fund, the first 50 team’s ticket costs will be matched as a donation to DCAC - up to a total of $25,000.

Denver Safe from the Start is a bilingual school-centered prevention program for children ages three to ten. It is based on the premise that strengthening families helps to protect children from abuse and ensure their healthy development. The program works to increase the safety and well-being of children by teaching educators about child abuse prevention and how to help families access resources, providing child development education for parents together with access to critical resources to strengthen families, and teaching young children basic self-protective and healthy living skills.

You will have the opportunity to provide one or two schools with Denver Safe from the Start programming depending in your sponsorship level. The program will be taught in early childhood classrooms through fifth grade on a weekly basis for six weeks.

We have worked with the following schools: Ruby Hill Elementary School, Castro Elementary School, DCIS Fairmont Elementary School, Dora Moore Elementary School, & many more. In 2018, the Denver Safe from the Start program was taught to 4,156 children, 465 parents, and 225 teachers.
